# What Is BSO?

Internet services for  
business & employers  
to exchange  
information with  
Social Security.

## BSO's Suite of Services:

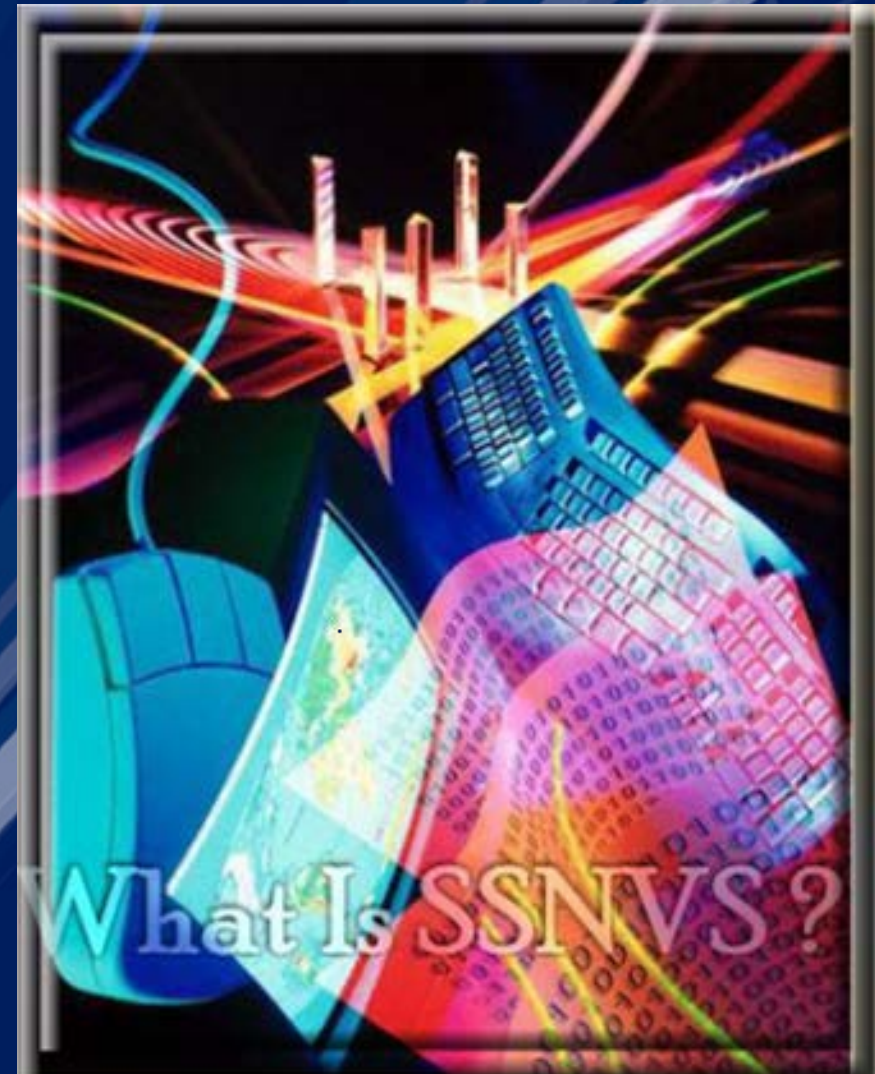

- ▶ Registration Services
- ▶ Electronic Wage Reporting Services
- ▶ Verification Services (SSNVS)

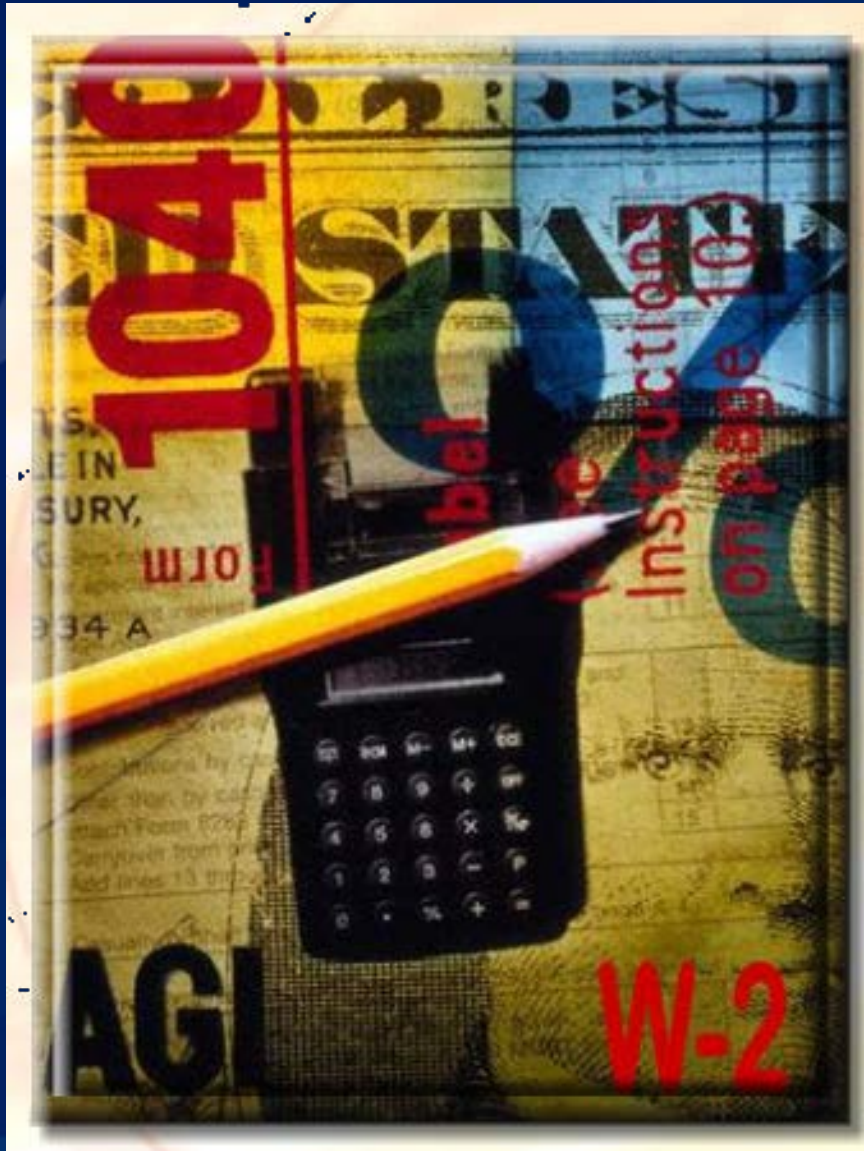

A means of verifying  
names and Social  
Security Numbers  
(SSNs) of hired  
employees

# With SSNVS, Employers Can:

- ▶ Verify up to 10 names & SSNs online and receive an immediate response (ideal for new hires)
- ▶ Upload batch files of up to 250,000 names & SSNs and usually receive results on the next business day (ideal for verifying an entire database of employees or when hiring a large number of workers)

## Purpose of SSNVS:

Improve the accuracy of Form W-2 wage reports submitted to SSA so that wages are posted properly to employees earnings history record

## SSNVS Benefits:

☺ It's free

☺ It's faster and easier

☺ Results in more accurate  
wage reports
